### Subpart A—Certificated Debentures

#### § 337.1 Applicability of Treasury regulations.

The general regulations governing United States securities, part 306 of this chapter, apply, as the regulations for similar transactions and operations in certificated debentures. To the extent that the provisions in this part differ from the provisions in part 306, the provisions in this part shall prevail.

#### § 337.2 Transportation charges and risks.

Debentures presented for redemption at call or maturity, or for authorized prior purchase, or for conversion to book-entry form, must be delivered at the expense and risk of the holder. Debentures bearing restricted assignments may be forwarded by registered mail, but for the owner's protection debentures bearing unrestricted assignments should be forwarded by insured registered mail. Debentures should be delivered to the Federal Reserve Bank of Philadelphia, Securities Division, Ten Independence Mall, P.O. Box 90, Philadelphia, Pennsylvania 19105-0090. Debentures delivered to any other Federal Reserve Bank or Branch, to the Department of Housing and Urban Development (HUD), or to the Bureau of the Public Debt will be forwarded to the Federal Reserve Bank of Philadelphia for processing.

#### § 337.3 Termination of transfers and denominational exchange transactions.

Debentures, which by their terms are subject to call, may be called for redemption, in whole or in part, at par and accrued interest, on any interest date on three months' notice. No transfers or denominational exchanges in certificated debentures covered by a given call will be made on the books of the Department of the Treasury on or after the announcement of such call. However, this does not affect the right of a holder of such debenture to sell

and assign it on or after the announcement of the call date.

#### § 337.4 Presentation and surrender.

(a) *For redemption.* To facilitate the redemption of called or maturing debentures, they may be presented and surrendered in the manner prescribed in this section in advance of the call or maturity date, as the case may be. Early presentation by holders will insure prompt payment of principal and interest when due. The debentures must first be assigned by the registered payee or his assignee, or by his duly constituted representative, if required, in the form and manner indicated in § 337.5, and should then be submitted to the Federal Reserve Bank of Philadelphia, accompanied by appropriate written advice. A transmittal advice for this purpose will accompany the notice of call.

(b) *For purchase.* Debentures, the purchase of which has been authorized prior to call or maturity, may be assigned as instructed in paragraph (a) of this section and immediately submitted in accordance with procedures prescribed by HUD for this purpose.

#### § 337.5 Assignments.

(a) If the registered payee, or an assignee holding a certificated debenture under proper assignment from the registered payee, desires that payment be made to such payee or assignee, the debenture need not be assigned. If the owner desires for any reason that payment be made to another, without intermediate assignment, the debentures should be assigned to "The Federal Housing Commissioner for redemption (or, purchase) for the account of \_\_\_\_\_," inserting the name and address of the person to whom payment is to be made. Proof of the authority of the individual assigning on behalf of an owner will be required in accordance with part 306 of this chapter.

(b) An assignment in blank or other assignment having similar effect will be recognized, but in that event the debenture would be, in effect, payable to bearer, and payment will be made in accordance with the instructions received from the person surrendering the debenture for redemption or purchase. For the owner's protection, such
